After away tournaments, we make time to visit local colleges so our athletes can envision themselves as a student on campus.

Perform to Perfection (P2P) Sports Academy

Our mission is to turn dreams into reality!!

The biggest hurdle for many student athletes is preparing themselves on and off the field whether it being in the classroom or on the playing field. Based on my past experience, we founded P2P to help eliminate any road blocks that may cause our future generation not to succeed.

YOU ARE DONATING TO A GREAT CAUSE!

Perform to Perfection (P2P) Sports Academy puts the student before the athlete to ensure success in both the classroom and on the field. To achieve these goals, our players families' are reaching out to encourage students to reach their full potential in academics and athletics.

Your donation will go a long way to support the P2P Sports Academy 7-on-7 team. The primary goal of the 7-on-7 program is to provide these students an opportunity to attend college on an academic and/or athletic scholarship. We have assisted our student-athletes obtain more than \$200M in awarded academic and athletic scholarships.

To realize our goals we need funds to create both an educational environment and athletic opportunities for our youth.

More than 85 percent of the players will need financial assistance to pay the fees to participate in the program. With your donation we can ensure no players are turned away due to lack of financial support.
